- Nine new videos

- Featuring:
  - Librarians, patrons, services
  - Rural, urban and suburban
  - Workforce development
  - Health information
  - Digital literacy
  - Homework and education
  - Technology, broadband, training

  - Libraries: Changing lives – One Connection at a time

Library Videos

- **Libraries: An Intellectual Paradise**

  See how the Benjamin Franklin Library is giving Boyle Heights citizens the chance to explore and soar.

"The library today is more of a community center."

Library Videos

- **Libraries: changing lives, transforming communities**

    One in three people in the U.S. do not have home access to the internet. See how libraries are changing the way we connect.

"Libraries, like education, are the great equalizer."

Library Videos

- **Libraries: A new home for the American dream**
  See how new immigrants in Los Angeles are using the Chinatown Library to build community, learn and improve their lives.
